<p>Five extraordinary, typical sights of Cologne are to be “revisited” in order to be able to present them to everyday English tourists: <i>Cologne Cathedral, the Roman-Germanic Museum, the Chocolate Museum, Cologne Zoo and the Botanic Gardens. (Flora)</i> On the first two days we will have to get ourselves informed- via guided tours and walks through the Zoo and the Botanic Gardens. On the third day we will have to prepare the presentation, which should preferably be in English.</p>
